## *R.A.D. Systems Basic Physical Defense Instructor Certification Course*

Participants in this R.A.D. Systems Instructor Certification Course will, upon successful completion, be certified to teach the R.A.D. System of Basic Physical Defense for Women. This 3-day 30-hour Instructor Certification program is a cost effective way to obtain your own self defense Instructor(s) and offer this proactive program to the women in your community. This is the most comprehensive program of its kind and now independent instructors, or agencies/organizations can utilize the basic tailored format as a part of their overall crime prevention package.

This Instructors Certification program is dynamic in every way. The course is taught in a relaxed environment that is conducive to learning R.A.D. tested instructional techniques, proven tactics and unique insight into the problem of violence against women. This program includes physical defense workouts for technique development and includes an exercise that is designed to simulate confrontational situations.

From awareness and prevention to physical defense skills, this program covers it all. Registration includes all program materials, an Instructor curriculum and Instructor Certificate. R.A.D. Systems is endorsed by the International Association of Campus Law Enforcement Administrators (IACLEA), the National Self-Defense Institute (NSDI), the National Academy of Defense Education and MACHO Martial Arts.
